

## Ring Size Guide

Before measuring your ring size, be sure this guide is printed in A4 size and scaled to 100%. You can check the accuracy of your print by positioning your atm card on the line below.

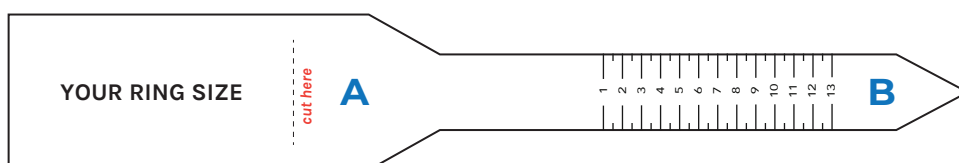

### Option 1: Measure By Matching Your Ring

If you have an existing ring available, it is easy to align the ring with one of the circles below. Simply place the existing ring with the inside edge of the ring fitting against the matching circle

### Option 2: Measure By Printable Measuring Tool

Print out the Ring Size guide and cut out the sizing tool. Slide the end tab B through slot A and wrap the sizer around the base of the finger. Make sure to allow size for the knuckle. The number aligned with slot A as your ring size.
